

# FAQs

When and where will the activities be conducted?

Our activities are conducted on alternate Friday afternoons in campus. For activities outside of campus, transport will be provided.

What happens if the activity coincides with the school's lessons or CCA?

School's lessons will take priority. For CCA, you may decide which you would like to attend. We also encourage you to be available on most of the Friday afternoons.

How will you be informed about the activities?

A Whatsapp group chat will be created to share information on upcoming sessions, and you will be able to inform us of your availability accordingly.

Do you receive CCA hours by attending our activities?

By attending our sessions, you will be awarded with enrichment hours which we will track and inform the school directly.
