Celebrating as One

A CELEBRATION REPORT OF TOUCH'S 25TH ANNIVERSARY

We believe that every individual is unique and can play an important role to meet the needs of our community. This is seen in the thumbprint marks on TOUCH's 25th Anniversary logo. The lines also reflect the ripple effect of a community coming together to serve. As TOUCH celebrates our 25th Anniversary, we are grateful for the community of volunteers, donors, staff, clients, corporate and community partners who have journeyed with us. Thank you for being part of The Giving Family!

Mission 2030

Called to serve the needy and disadvantaged, we value every person and enable them to strengthen families – the foundation of society.

Vision 2030

Strong Families. Caring Generations. Enabled Communities.

Our Story

The work of TOUCH started in 1986 as a service to the community by a group of like-minded young people who banded together to organise activities for disadvantaged children in the neighbourhoods of Clementi and Jurong.

Touched by the needs of low-income and single-parent families facing difficulties to make ends meet, these seven people in their twenties operated out of a HDB void deck and organised activities to help people from families in need to develop academically and socially.

What started out as a simple attempt to mentor 45 children and help them develop their full potential has today become a multi-service organisation that serves a diverse range of clients, from children to the elderly and those with special needs.

About **TOUCH**

TOUCH Community Services

TOUCH Family Services TOUCH Community Services Ltd (TCSL) is a not-for-profit charitable organisation officially registered in 1992. It was granted charity status and became a full member of the National Council of Social Service on 12 December 1994.

TOUCH Family Services Ltd (TFSL), an affiliate of TCSL, was incorporated on 1 March 2007 and achieved Charity Status on 1 October 2007.

TCSL and TFSL have an integrated network of 18 services with 20 centres and 24 children's clubs located at various parts of Singapore. Its clients include children from low-income or single-parent families, youths at-risk, disadvantaged families, people with special and healthcare needs, and the elderly.

Over the last 25 years, TOUCH has reached out to many individuals from all races and religions. In 2017, it served some 31,000 clients¹ and 152,000 service users².

¹ Clients refer to those who are members of TOUCH services or individual served by TOUCH, i.e. at least once a month or attended at least 80% of activities or programmes organised or received face-to-face services including counselling.

² Service users include individuals who have benefitted from camps, health screening, and educational outreached such as talks, workshops and roadshows organised by TOUCH.

Chairman's Message

2017 marked a significant milestone for TOUCH as we celebrated 25 years of serving the community together with you – our supporter and partner. TOUCH is grateful for your trust placed in us and the opportunity to serve the community all these years together with our stakeholders as One Community.

Your support has helped Mdm Wee Ah Bee from TOUCH Senior Activity Centre step out of depression and loneliness after dealing with two deaths of her closest kin. It was a difficult journey for Mdm Wee but with the support of the TOUCH family, she now volunteers to help other seniors live their life with grace and dignity. At 74, Mdm Wee has a renewed purpose in life and delights in serving others.

Our volunteer-turned-staff Charlene is another great inspiration to many in

Singapore who read her story in different news articles last year. She started her volunteer journey with TOUCH Silent Club in her polytechnic student days and was later offered a position as a full-time staff. Although Charlene is born deaf, she does not allow her disability to hinder her natural abilities and passion to serve the deaf community. In 2017, she became one of the ambassadors for Singapore's national disability awareness campaign, impacting people with special needs to reach their dream despite their physical limitations.

The life stories of Mdm Wee and Charlene encourage us at TOUCH to persevere in meeting the needs of every individual and recognising their potential to evoke change.

I believe that pursuing Vision 2030 includes developing forward-thinking solutions that bring real impact in the community. In our fast greying nation, vulnerable persons and their caregivers get older and need long-term help. While intervention services are crucial, TOUCH believes in developing sustainable models of care that will enable the elderly or those with disabilities to age successfully with a sense of purpose and significance.

TOUCH seeks to serve with compassion and excellence, and we are humbled and grateful to be recognised through several accolades in 2017, such as the Charity Governance Awards, where TOUCH Community Services Ltd was awarded the Special Commendation Award – Clarity of Strategy. We are also thankful that, for the second consecutive year, TOUCH Community Services Ltd, TOUCH Family Services Ltd and TOUCH International Ltd garnered the Charity Transparency Awards by the

Charity Council for exemplary disclosure practices. TOUCH Home Care was commended with the Best Home Care Operator Award at the 5th Asia Pacific Eldercare Innovation Awards Ceremony for providing the best health and social services to support ageing-in-place.

We are grateful for our stakeholders who have supported us over the past 25 years. One of our supporters has been Mrs Goh Chok Tong, who served as our first and only Patron, and subsequently as our Special Advisor, Partnership Development. I'm pleased to share that she has once again graciously accepted to be our Patron for the second term from January 2018.

Thank you once again for believing in our cause. We count on you to join us to see Strong Families, Caring Generations and Enabled Communities established in Singapore.

Chief Executive Officer's **Message**

In 2017, Community
Services commemorated 25 years of service through celebrations with a clear theme for 2018 and beyond: the importance of stakeholders coming together to serve the needs in the community. Highlights included the TOUCH 25th Anniversary – A Charity Gala, which showcased theatrical performances inspired by stories of TOUCH beneficiaries, and The Giving Family Festival, a charity carnival we organised to thank the community for its support over the years and to share our Vision 2030.

We have a strong passion to inspire a generation of youths to find their voice, step out to make a difference and take the lead to bring change in society. In 2017, we integrated our Children and Youth Groups to provide a suite of services from pre-school children to post-secondary youths in a more seamless and strategic way. Through engagement platforms ranging from assembly talks, camps and serving opportunities within the community, we build values and character, uncover hidden aspirations and journey with

the next generation in inculcating the importance of giving back to society.

There are so many who need hope and help to surmount their challenges to live well and give back to society. A growing social issue that TOUCH seeks to address is the need for mental wellness. In the coming years, we will work closely with schools to bring immersive and interactive mental health programmes to students. In 2017, to fight the social stigma related to depression and mental health issues, TOUCH launched a specially commissioned themed train on the North-East Line as part of the public awareness campaign. TOUCH has also piloted a mental health education programme in secondary schools, called Do You M.I.N.D., to raise awareness of mental health conditions among the youth such as depression, eating disorders, self-harm, anxiety, and obsessive compulsive behaviour.

One of our priorities in TOUCH is to be close to the community at ground-zero, interact with those whom we serve to better understand the needs, and to contribute to national conversations. The TOUCH leadership is glad to be part of the various national taskforces and workgroups, such as the Ministry of Health's War on Diabetes Taskforce and the Ministry of Communications and Information's Digital Readiness Workgroup, contributing to the solutions as we look out for the needs of the vulnerable while the young and old embrace endless possibilities through technology. We are also pleased to be part of the UNESCO Asia Pacific Regional Bureau for Education's Expert Advisory Committee, which discusses research work plans on digital citizenship competency and education.

Our digital and media platforms play a key role in communicating the voice of those with needs and will continue to advocate on issues close to our heart. At the same time, it serves as an engagement channel to rally the public in giving back to the needs of the community. Over the past one year, our

media engagements have increased; we were mentioned or featured on print and broadcast media 274 times last year, 66% more than the year before. Through the clients' stories and calls to action over the digital platform, our Facebook followers have increased by 30%. Our new website was also launched, and with the improved user experience, online donations have increased by 15%, online donors by 145%, and there has also been a 77% productivity increase in processing volunteer sign-ups.

Our heartbeat, as reflected in our mission statement, is that we value every person and seek to enable them to fulfil their roles in the family and in society. This is the same heartbeat that we have for our staff. In TOUCH. we adopt fair and inclusive human resource practices. In our employment are staff with special needs such as the deaf and individuals recuperating from mental health challenges. TOUCH has also introduced a flexible benefits programme to support staff in meeting their family and personal needs. At the same time, TOUCH believes strongly in people development, so that our staff can grow to their fullest potential. To that end, we provide development opportunities in support of continuous learning, as well as sponsorship to acquire professional work qualifications and skills upgrading, so that staff can contribute effectively as they serve our clients and beneficiaries.

All in all, meeting the needs of the community was possible because of you! I would like to commend our staff for their passion and dedication in making a difference to many lives. And to all our volunteers, donors and partners, TOUCH cannot do without your support. We value your trust in us. Together, let's build a caring and gracious community.

Towards Vision 2030!

Corporate Governance

Board's Conduct of its Affairs

The Board's conduct of its affairs is set out in the Board Policy which was approved by the Board on 17 February 2017.

The Board works with the Leadership Team to lead and manage the Organisation. The Board provides guidance to the Leadership Team and delegates the formulation of policies and the day-to-day management to the Chief Executive Officer and the Leadership Team. The Leadership Team remains accountable to the Board.

To assist the Board in the execution of its duties, The Board has delegated specific functions to the Board Committees. Each of these Committees operates within the Terms of Reference approved by the Board, a copy of which is on page 67.

The Board's decision and approval is required for the following matters:

- Corporate and service strategies and restructuring;
- Policies, standard operating procedures and manuals;
- · Annual budget and funding;
- · Annual report and accounts;
- Interested person transactions and matters involving conflict of interest for a Director;
- · Any material and significant matter.

The Board meets at least three times a year with a quorum of at least three members. The Board Committees meet at least once or twice a year. The number of meetings attended by the Board and Board Committees during the financial year are as follows:

| Board Meeting Attendance Record | | |
|---------------------------------|------------|--|
| Names | Attendance | |
| Lawrence Khong | 3/3 | |
| Au-Yong Kenneth | 1/3 | |
| Cheng Huey Teng | 3/3 | |
| Chew Robert | 1/3 | |
| Eugene Seow | 3/3 | |
| Goh Choon Wah | 3/3 | |
| Kuok Lay Hoon | 3/3 | |
| Kwong Kin Mun | 1/3 | |
| Peh Lai Gek | 2/3 | |
| Tan Ee Shien ¹ | 1/1 | |
| Tay Chin Kwang | 2/3 | |
| Wan Siu Khuan | 2/3 | |

Attendance is indicated as number of meetings attended over number of scheduled meetings for the term. As TOUCH Board Directors may be appointed in different periods during the term, the number of scheduled meetings for each Director's attendance may vary.

The Board members also participated in decision-making through other means (such as electronic communications and approving resolutions in writing).

All newly appointed Directors are briefed by the Chief Executive's Office on the operations and strategic plans of the Organisation to enable the Directors to discharge their duties effectively. The induction includes:

- TOUCH's Organisational Information
 - o TOUCH's vision, mission and core values
 - o TOUCH's history and timeline
 - Current operations and strategic plans
 - Current approved budget
 - Latest financial statements, annual reports & audit reports
- Governance and Legal Information
 - Laws and regulations governing TOUCH
 - Board policies and key financial, human resource, fraud and whistle blowing policies
- Board Responsibilities
 - Board structure
 - Board committees and roles
 - o Conflict of interest policy
 - Overview of stakeholder communication policy
- Key Contacts
 - o Board of Directors list
 - Key staff list

The Directors are encouraged to attend training programs, seminars and workshops organised by professional bodies as and when necessary, to keep apprised of relevant new laws, regulations and changes in the charity landscape. The Organisation will, if necessary, organise briefing sessions or circulate memoranda to Directors to enable them to keep pace with these changes.

Board Composition and Membership

All the Directors are independent and do not receive any remuneration for the services to the Organisation. New appointments of Directors are recommended by the Nominations Committee and are selected based on the following:

· Knowledge and Community Experience of TOUCH (E.g.: Their contribution in joining organising committees for events like Charity Golf and Charity Gala)

- Alignment to TOUCH's vision, mission and core values, as well as stand on family
- Management experience in corporate / civil service
- · Diversity, including but not limited to gender, ethnicity, race and disabilities
- · Specific skills such as finance, audit, legal, international, information technology, governmental affairs, public relations, marketing, human resource development, disaster relief, healthcare etc

At the annual general meeting of each year, one-third or the number nearest one-third of the number of Directors shall retire. The Directors to retire shall be those who have been longest in office since their last election. The retiring Director shall be eligible for re-election. Any newly appointed Directors shall hold office only until the next annual general meeting and shall then be eligible for re-election. There is a maximum term limit for the Board Treasurer of four years.

Board Performance

The Nomination Committee will assess the performance of the Board as a whole and its Committees will ascertain key focus areas for continuous improvement. The performance criterion for the Board evaluation includes amongst others, composition structure and size of the Board, Board processes, Board information and accountability, Board performance and constitution of the Board Committees' delegated roles.

Each Director is required to complete a Board evaluation form. The completed forms are collated by the Nomination Committee and a consolidated report is presented to the Board with a view to enhancing the effectiveness of the Board Committees and the Board as a whole.

Access to Information

The Chief Executive's Office provides the Board with information considered necessary by the Board in discharging its responsibilities. This information includes background and other explanatory information relating to matters brought before the Board, annual reports, budgets and summarised quarterly management accounts highlighting material variances between actual results and budgets/ forecast/past results.

Risk Management and Internal Controls

The Board has overall responsibility of the charity's key risks to safeguard the charity's interests and its assets. They have an oversight function, ensuring that processes are in place, adequate and effective in fulfilling the mission of TOUCH. The audit committee assists the Board in providing risk management oversight while the ownership of day-to-day management and monitoring of existing internal control systems are delegated to the Leadership Team. In management and monitoring the internal control systems, TOUCH uses an Integrated Risk Management and Internal Controls Framework.

TOUCH has an in-house Internal Audit (IA) function. The IA function reports to the Audit Committee, independently. Annually, the IA function conducts a Risk Assessment to logically draft an Audit Plan that is presented to the Audit Committee for commissioning. Apart from Risk Assessment and Exposures, this audit plan also takes into consideration inputs from the Leadership Team, referring to the Audit Universe of TOUCH.

In Risk Assessment, the following areas are considered:

- i. Strategic
- ii. Operations and programme management
- iii. Governance and compliance
- iv Human resource
- ٧. Volunteer management
- Financial management vi.
- vii. **Fundraising**
- viii. Public image
- ix. Fraud / illegal activities

From 2018 onwards, TOUCH has outsourced its Internal Audit (IA) function. The IA function will still report to the Audit Committee, independently. For 2018, the IA scope of work was to conduct an Enterprise Risk Management Consultancy to achieve the following:

- 1. Refresh TOUCH's Tier 1 Risk profile (Top 5 risks) by:
 - a. Refreshing TOUCH's risk universe
 - b. Redefining TOUCH's risk parameters

- Document TOUCH's Risk assessment and 2. Registers for Tier 1 risks
- 3. **Develop Risk Reporting templates**
- 4. Refresh/ Develop TOUCH's ERM Policy and Framework to sustain risk management efforts.

The scope of work for 2018 aims to increase TOUCH's ability to manage key risks of TOUCH.

Fraud Risk Management

To promote consistent organisational behaviour in order to prevent and detect fraud, TOUCH has developed a Fraud Risk Management Plan which provides guidelines and assigns responsibility when conducting investigations. Any irregularity that is detected or suspected must be reported immediately to the Chief Operating Officer (COO), who reports the irregularity immediately to the Audit Committee. The COO will be responsible to coordinate all investigations with the Chief Executive's Office and other affected areas, both internal and external.

Audit Committee

The Audit Committee meets two times in the year, reviewing the state of governance, as well as ensuring that programs and services maintained a sound state of internal controls. The Audit Committee reviews the adequacy of the financial, operational and compliance controls for all the services, on a rotational three-year basis.

The Audit Committee ensures that the approved audit recommendations are adequately followed up by the Leadership team and is satisfied that the current state of internal controls is sufficient for TOUCH to achieve its objectives.

The Audit Committee has put in place a whistleblowing policy, whereby staff or any other person may raise concerns about possible improprieties in matters of financial reporting, fraudulent acts and other matters and ensure that arrangements are in place for independent investigations of such matters and appropriate follow up actions.

Corporate and Community **Highlights**

Recognition for service and operational excellence

OUCH Community Services Ltd was awarded the Special Commendation Award - Clarity of Strategy under the Charity Governance Awards Category by the Charity Council. TOUCH Community Services Ltd, TOUCH Family Services Ltd and TOUCH International Ltd were also awarded the Charity Transparency Award for the second time for its exemplary disclosure practices on 15 November 2017. TOUCH believes that transparency and good governance are essential in building public confidence. TOUCH values the trust given to the organisation. It is committed to the continuous journey of governance excellence, and strives to be continually relevant in making real social impact and community transformation aligned to its vision.

TOUCH Home Care clinched the Best Home Care Operator Award at the 5th Asia Pacific Eldercare Innovation Awards Ceremony on 26 April 2017 for its excellent efforts in providing health and social services to support ageing-inplace. This award recognises the best of Asia Pacific's care organisations that have gone the extra mile to improve health, quality of life and independence for seniors.

Four staff from TOUCH Community Services - Ms Jacinda Soh (Senior Occupational Therapist), Ms Rachel Lim (Senior Occupational Therapist), Ms Rachel Sim (Home Care Executive) and Ms Jeni Seetoh (Case Manager, Department of Social Work) - were recipients of the Healthcare Humanity Award (ILTC category) by the Courage Fund, which took place on 25 April 2017. This award is given to outstanding and inspirational healthcare workers who have gone beyond their call of duty to care for frail seniors and people with cancer. TOUCH Home Care client Mdm Ong Siew Lay also received the Healthcare Humanity Award (Caregiver category) for her outstanding devotion in caring for her husband.

Mrs Julie Seow, Diabetes Life Coach at TOUCH Diabetes Support, was a recipient of the Superstar Award (ILTC Administration Category) at the Singapore Health Quality Service Awards 2017, organised by the SingHealth Duke-NUS Academic Medical Centre. Julie was honoured for her work and commitment to better the lives of people with diabetes through community support. The Singapore Health Quality Service Award is Singapore's first dedicated platform to honour healthcare professionals who have delivered quality care and excellent service to patients.

- 4. Individual TOUCH staff who received commendation for their excellent service towards those in need.

New **Corporate** Function -Impact & Research

o better report on impact and the effectiveness of our programmes, TOUCH started a new corporate function, Impact & Research, to build the organisation's capability and be accountable to its stakeholders.

TOUCH partnered with Chua Thian Poh Community Leadership Programme, NUS to measure the programme effectiveness of A.p.t.i.t.u.d.e Centre at ITE College East since it began in 2015. Through the study, data was derived from surveys with students, as well as interviews with its stakeholders. It was discovered that for every \$1.00 invested in A.p.t.i.t.u.d.e, \$2.14 of social return of investment is generated. This highlights that A.p.t.i.t.u.d.e achieved positive outcomes for the students, and is utilising its resources effectively. In the years ahead, it is increasingly important to articulate and measure the outcome and impact of TOUCH's programmes, which will lend confidence and credibility to the work of TOUCH.

Social Work & **Programme Development**

ocial Work & Programme Development services include financial assistance for low-income families, counselling for various family-related issues, and relooking the organisation's practices and processes to ensure that services remain relevant to the needs of the community.

In 2017, Social Work & Programme Development provided financial and emotional support to 91.7% more families and individuals (in comparison to 2016) through counselling, the application of short-term financial schemes, and providing advice on financial budgeting, empowering them to be self-reliant in their daily living.

It also reviewed the programmes under TOUCH Diabetes Support to more effectively expand its reach to include support for persons living with Type 2 diabetes.

Swing for Charity

OUCH organised its annual charity golf tournament, Swing for Charity, on 8 September 2017. 148 golfers, including Guest-of-Honour, Minister for Trade and Industry (Industry) Mr S Iswaran, enjoyed an afternoon of golf at Sentosa Golf Club while doing their part for charity. The event raised over \$300,000, which will go towards the programmes and services under TOUCH that support some 3,000 seniors in need.

25th Anniversary **Celebrations**

Celebrating 25 years of serving the community together

he work of TOUCH started from seven volunteers and continues today with the support of its stakeholders - donors, volunteers, staff, clients, corporate and community partners. The two highlights of TOUCH's 25th Anniversary celebrations focused on the importance of its stakeholders coming together to serve the needs of the community and see TOUCH Vision 2030 fulfilled.

- 1. A client of TOUCH Senior Activity Centre presenting a gift of appreciation at TOUCH 25th Anniversary - A Charity Gala
- 2. From left to right: TOUCH's Chief Operating Officer, Ms Leong Lai Cheng; TOUCH's Patron, Mrs Goh Chok Tong; TOUCH's Founding Chairman, Mr and Mrs Lawrence Khong; TOUCH's Chief Executive Officer, Mr and Mrs James Tan at the Charity Gala 2017.
- 3. Client of TOUCH Centre for Independent Living sharing her art piece with then Minister for Social and Family Development, Mr Tan Chuan-Jin.
- 4. Community representatives sharing their personal stories on giving to illustrate the event theme "We are One Community".

The first celebration, TOUCH 25th Anniversary - A Charity Gala, took place on 21 April 2017 at The Ritz Carlton. Graced by Guest-of-Honour, Mr Tan Chuan-Jin, then Minister for Social and Family Development, and TOUCH Patron, Mrs Goh Chok Tong, the charity gala showcased theatrical performances intertwined with moving life stories related firsthand by beneficiaries of TOUCH. The charity gala saw corporates and organisations banding together to partner TOUCH, which contributed to the success of the event. In total, TOUCH 25th Anniversary - A Charity Gala raised some \$850,000 in support of TOUCH's work among at-risk youth, disadvantaged seniors, people with special needs and vulnerable families.

The second Anniversary event took place on 4-5 November 2017 where TOUCH organised The Giving Family Festival at Singapore Sports Hub, OCBC Square. Graced by Guest-of-Honour, Mr Chan Chun Sing, Minister in the Prime

Minister's Office, the charity carnival gathered some 9,500 people - public, corporate and community partners, volunteers, clients and staff - over the two days. In line with Vision 2030: Strong Families Caring Generations
 Enabled Communities, the event featured three zones - The Playground, Bonding Avenue and Giving Boulevard - which had more than 30 booths and stalls housing carnival games, rides, merchandise and mouthwatering bites, as well as performances by clients, volunteers and partners. The Festival also saw over 60 corporate and community partners coming together to partner TOUCH in support of its beneficiaries. In the spirit of social entrepreneurship, nine student teams from four local secondary schools joined in to set up booths offering games experiences, a flea market as well as merchandise to raise funds for TOUCH.

- 5. Guests of TOUCH's Charity Gala taking a picture at the "We are One Community" photo booth.
- 6. Corporate partner, Characterist LLC, celebrating One Community at the Charity Gala.
- 7. A mother and child purchasing a balloon sculpture in support of the Festival.
- 8. Leaving a hand print as a pledge of support towards building One Community.

- 9. A participant of Run & Raisin' 2017 playing at a game booth at The Giving Family Festival.

- 12. TOUCH Child Care's children performing at The Giving Family Festival.
- 13. Participants of The Giving Family Festival learning cajon with Believer Music.

Adding to the festivities are two other events -Run & Raisin' 2017 and the 25th Anniversary Celebration of TOUCH Diabetes Support. The Festival Run, which benefits over 500 children from low-income and single-parent families under TOUCH Young Arrows, had the support of some 2,000 participants at the 10km Competitive Run, 5km Fun Run and the 500m Family Run. As part of TDS' 25th Anniversary celebration, a team of 27 cyclists took part in an 85km cycling fundraiser and raised some \$30,000 in support of TDS' work in fighting the war on diabetes.

In total, The Giving Family Festival raised over \$850,000 to end off the year's celebrations.

- 3. Service Users include individuals who:
 - benefitted from TOUCH services, such as through camps, health screening, and educational outreaches, including talks, workshops and roadshows.
- 4. The increase in service users was due to TOUCH Adventures becoming a service. Past figures were combined with TOUCH Leadership & Mentoring's figures.
- 5. The increase in clients was due to more students attending the Student Ambassador Programme and the Parent Mentoring Programme. The decrease in service users was due to smaller cohorts in schools.

- 6. The decrease in clients and service users was due to the independent reporting of TOUCH Adventures and TOUCH Youth Intervention's figures.
- 7. The increase in clients and service users was due to TOUCH Youth Intervention becoming a service. Past figures were combined with TOUCH Leadership & Mentoring's figures.
- 8. The clients from Care Close to Home have been reclassified as they share a similar client base with TOUCH Senior Activity Centre. The 2016 figures of Care Close to Home are placed with TOUCH Cluster Support.
- 9. The decrease in service users was due to the stopping of assembly talks at school and deaf awareness roadshows last year.
- 10. The decrease in service users was due to the Y-Diabetes project that was launched in 2016 where there were many people involved in the sharing of diabetes.
- 11. The decrease in 2017 figures was due to the counselling function formerly under **TOUCH Counselling and Social Support** transferred to TOUCH Family Life.
- 12. The increase in clients was due to the completion of the Triple-P tender project and no further renewal of tender in 2017. The general increase in the 2017 figures was due to the addition of the counselling function formerly under TOUCH Counselling and Social Support.

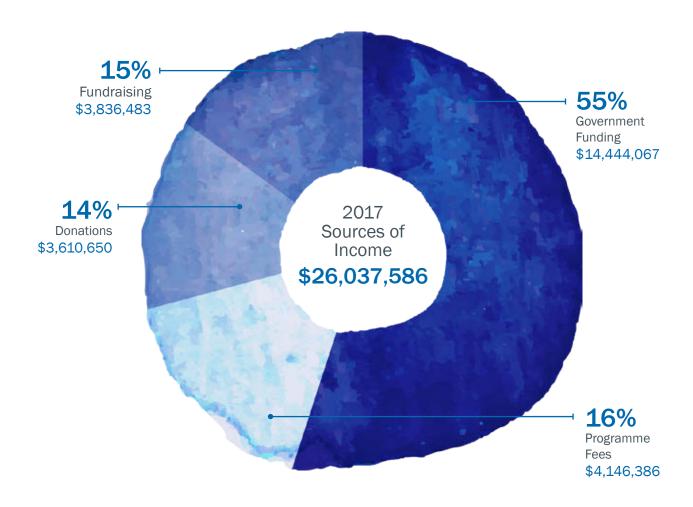

2017 Financials

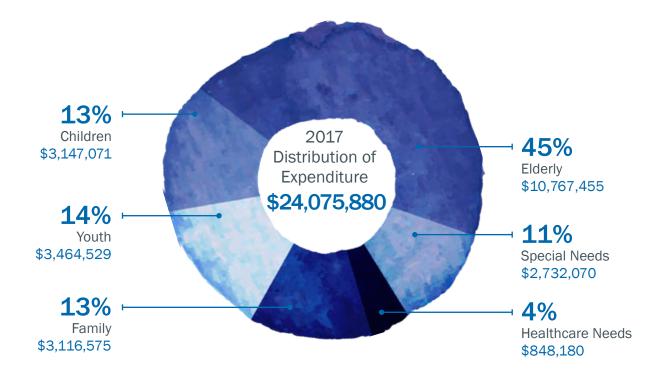

OUCH is committed to ensure prudent use of its resources in ensuring costeffectiveness and accountability in all its operations. To further improve corporate governance, TOUCH has put in place financial controls and procedures to ensure transparency and accountability and to safeguard the integrity of the financial reporting. Audited financial statements are published annually. Specific project evaluations are also carried out to assess the effectiveness of its programmes in meeting client needs.

Please refer to some 2017 financial highlights and charts:

TOUCH comprising TOUCH Community Services Ltd and TOUCH Family Services Ltd received about 55% of its annual funding from government grants and relies more on its own fundraising efforts to meet the rest of its financial needs.

TOUCH received income totalling some \$26 million.

2017 **Breakdown** of Charity **Dollar**

or financial year 2017, out of every \$1.00 spent, 81 cents for TOUCH went directly to fund programmes and activities that benefitted our clients. Refer to chart on the right.

The Indirect Charitable Expenses comprising fundraising and operations/administration costs are financed by funds collected from Programme Fees.

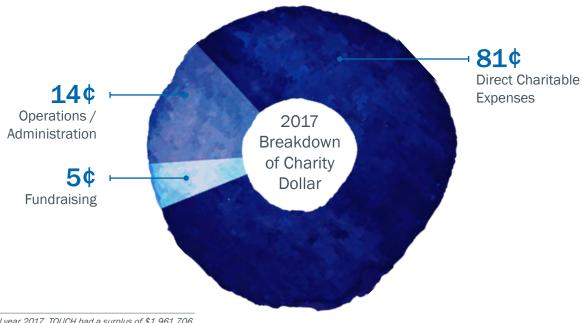

Direct Charitable Expenses:

Includes programme staff cost and cost of providing services and running programmes for clients.

Indirect Charitable Expenses:

Fundraising includes programme and staff cost incurred in raising funds to support direct services.

Operations/Administration includes rental, utilities, printing, stationery, transport, telecommunications, IT expenses, professional fees and support staff cost.

Policy Statements and **Practices**

Personal Data Protection Act Policy (and Donor Confidentiality)

TOUCH respects and honours our sponsors, donors, partners, volunteers and clients; their right to be treated courteously, fairly and have their privacy protected. TOUCH is committed to complying with the Personal Data Protection Act passed by the Singapore Government Parliament in October 2012. Personal information is given in good faith by sponsors, donors, partners, volunteers and clients and will only be used to maintain or enhance their relationship with TOUCH. Sponsors, donors, partners, volunteers and clients can remove their name from mailing lists upon sending their requests to TOUCH.

TOUCH also maintains a high level of confidentiality with respect to donor information. Donors' name or other details will not be published in any corporate collaterals or publications unless there is a partnership agreement between TOUCH and the donor.

TOUCH has put in place procedural, physical and electronic means to safeguard the personal information of our sponsors, donors, partners, volunteers and clients and will not rent, exchange or sell mailing lists of our sponsors, donors, partners, volunteers and clients to other organisations.

Sponsors, donors, partners, volunteers and clients' information may be kept both in hard copy and/or electronic forms. In either case, TOUCH has documented procedures to safeguard this information. Safeguards include storing copies of the information off-site.

Reserve **Policy**

TOUCH seeks to maintain a reserve of up to 12 months of operating costs. This is to allow a lead time to take the necessary measures to channel support for our work, re-assign beneficiaries or re-deploy staff if anything should happen that will threaten our income stream. The amount of reserves will be regularly reviewed by the Board of Directors to ensure that they are adequate to fulfil the continuing obligations.

Conflict of Interest Policy Statement

TOUCH has also put in place its Conflict of Interest Policy (COI) to protect the Organisation's welfare and best interests over and above all priorities and objectives. The COI mandates that no staff or Board of Directors may engage in any external interest or business that may undermine or conflict with the Organisation's overall welfare.

The COI and declaration form shall be given to the staff or Board of Directors at the earliest opportunity, such as upon his/her taking up of the employment with or appointment in the Organisation or appointment in or election to the Board. Annual declaration of interests by members of key management personnel and the Board is required. He / she will fully disclose to the Chief Executive's Office or the Board in the event a conflict of interest situation may arise.

Loans Policy

TOUCH does not have a loan policy as it does not grant loans to any party.

Remuneration and **Performance Management** (HR) Practices

The remuneration strategy for key executives (i.e. members of the Leadership Team) and all staff is guided by TOUCH remuneration principles of enabling the organisation to:

- attract and retain candidates with qualifications and experiences that best fit the job;
- ensure a clear relationship between performance and remuneration;
- appropriately compensate employees for the services they provide;
- provide an appropriate level of transparency; and
- ensure a level of equity and consistency across TOUCH.

The Board is responsible for approving remuneration strategy for TOUCH. Each year, the Human Resources Committee will review and advise the Board on proposed remuneration strategy put forth by TOUCH. The key factors taken into consideration for such review are guidelines and recommendations from relevant authorities such as National Council of Social Services, Ministry of Health, Singapore National Wage Council, prevailing economic conditions and the financial position of TOUCH.

TOUCH remuneration consists of fixed remuneration and performance linked bonus.

Performance appraisal in TOUCH is a key HR process to ensure that employees receive performance feedback and establish a clear link between performance and remuneration. The appraisal will be done once a year to review performance in current year and setting objectives for the new work year. The performance rating of the staff, based on his performance review of the preceding year, will be a key factor in determining his salary.

Code of **Conduct**

All staff are expected to conduct and carry themselves in a professional manner while at work and to observe Organisation policies and procedures so as to promote a harmonious working relationship and a conducive working environment. As staff are representatives of the Organisation, staff must practise honesty and integrity in fulfilling responsibilities and comply with all applicable laws and regulations.

Donations to External **Parties**

Donations to other charities are conducted out of a spirit of giving to charities with similar vision and mission as TOUCH. This corporate giving is funded out of the surplus that we have each year and the giving has no strings attached. The corporate giving is capped at \$40,000 a year.

Business Continuity Planning

TOUCH is committed to securing business continuity to ensure that essential services and corporate practices will be maintained in the event of a significant disruption affecting its operations, and to safeguard the interests of its key stakeholders, reputation, brand and value creating activities, and that normal services and corporate practices to be restored.

It is our policy to have in place plans that are regularly reviewed and tested. We will ensure all persons connected with the delivery of services are fully aware of their roles and responsibilities in ensuring business continuity.

Whistle **Blowing Policy**

A. Purpose

TOUCH is committed to lawful and ethical behaviour in all its activities, and requires that its Board, management, employees and volunteers conduct themselves in a manner that complies with all applicable laws and internal policies. In keeping with this commitment and TOUCH's interest in promoting open communication, this policy aims to provide a means through which employees should raise concerns with the reassurance that they will be protected from reprisals or victimization for whistleblowing in good faith.

B. Scope

This policy applies to all TOUCH's employees, including part-time, temporary, contract employees and volunteers.

C. Policy

The Whistle-blowing Policy is intended to cover serious concerns that could have a large impact on TOUCH, including actions that:

- 1. May lead to financial irregularities;
- 2. Are unlawful;
- 3. Are not in line with professional code of conduct; or
- 4. Otherwise amount to serious improper conduct.

Volunteer Management

Volunteers play a key role in TOUCH 2030 Vision of Strong Families • Caring Generations • Enabled Communities. A volunteer management framework, comprising of the seven stages as below, is used to guide Services in the management, equipping, engagement and empowerment of volunteers effectively:

- 1. Volunteer Vision and Strategic Planning
- 2. Volunteer Recruitment and Selection
- 3. Orientation and Training
- 4. Deployment and Supporting Volunteers
- 5. Supervision
- 6. Evaluation
- Recognition
